

# Playing cards in Unicode

Unicode is a computing industry standard for the handling of fonts and symbols. Within it is a set of images depicting playing cards, and another depicting the French card suits.

| Playing Cards                       |                                   |
|-------------------------------------|-----------------------------------|
| Range                               | U+1F0A0..U+1F0FF (96 code points) |
| Plane                               | SMP                               |

## Card suits

The Miscellaneous Symbols block contains the following, at U+2660–2667:

| U+2660           | U+2665           | U+2666             | U+2663          |
|------------------|------------------|--------------------|-----------------|
| ♠                | ♥                | ♦                  | ♣               |
| Black Spade Suit | Black Heart Suit | Black Diamond Suit | Black Club Suit |
| &spades;         | &hearts;         | &diams;            | &clubs;         |
| U+2664           | U+2661           | U+2662             | U+2667          |
| ♠                | ♥                | ♦                  | ♣               |
| White Spade Suit | White Heart Suit | White Diamond Suit | White Club Suit |

## Playing cards deck

Unicode 6.0 added images for: Minor Arcana Tarot, the 52 cards of the standard French deck, 4 Knights, a back of a card, and two for black and white (or red) jokers in the block U+1FoAo–1FoFF. Unicode 7.0 added a specific red joker and twenty-two generic trump cards with the reference description being not the Major Arcana used in cartomancy but the Tarot Nouveau used in tarot card games.
